Hi Jonathan,

Hope you are doing well.

I just thought I would drop you a quick email to thank you so much for coming and doing your work experience with us. You fitted into the team brilliantly and had a good grasp on our products.

You were a credit to your school and we would have no problem supporting any career paths you make.

If a vacancy or any other openings come up at The Works Technical I will contact you.

Please keep in touch and give us updates on your employment journey.

Good luck for the future.
